SECURITY MATTER - C

On 11/1/61, NY 694-S*, who has furnished reliable information in the past, advised SAS [REDACTED] and GEORGE EDWIN JONES that during the previous week, he had received, from ISADORE WOFSEY, a member of the CP Reserve Fund operation, CP National Control Commission records formerly in the possession of the late JAMES FORD, which were turned over to WOFSEY by the widow of JAMES FORD.

A review of these records reveals that they pertain to the period 1946-1950, and the records identify JAMES FORD as a member of the CP National Control Commission.

These records were made available to the Agents on the above date, and subsequent to photostating, were returned to the informant.

Enclosed herewith for Pittsburgh, are photostats of two letters pertaining to the re-entry of one [REDACTED] into the CP in 1947.

On 11/20/61, NY 694-S* advised SA ALEXANDER C. BURLINSON that on that date he received a note from [redacted] of CP functionary HENRY WINSTON, enclosing a coded letter from CG 5824-S* to NY 694-S*, dated 11/16/61, at Moscow. [redacted] advised NY 694-S* that she and her children had arrived from Moscow on 11/18/61, and that before leaving Moscow, she had been given a letter by CG 5824-S* for delivery to NY 694-S*.

b6
b7c

According to NY 694-S*, the coded letter from CG 5824-S* contains the following information:

CG 5824-S* will not be back in the USA by Thanksgiving Day, as he had anticipated. He is still waiting to discuss with appropriate Soviet officials the matter of financial aid to the CPUSA. By reason of changes in Soviet personnel due to the recent CPSU Congress, he is not sure what the attitude of those now in charge of finances will be toward his request for financial aid for the CPUSA. Upon completion of negotiations with the Soviets regarding this matter, CG 5824-S* will go to Hungary, Romania, and East Germany, in each of which countries he has business to transact. With GUS HALL's permission, he would like to avoid going to Poland, where he was to discuss obtaining Arabian stallions for shipment to the CPUSA.

On 11/22/61, NY 694-S* advised SA ALEXANDER C. BURLINSON as follows:

On 11/21/61, while visiting GUS HALL at the latter's home, NY 694-S* informed HALL that CG 5824-S*, by coded letter to the NY informant, had requested permission from HALL not to go to Poland at this time regarding the Arabian stallion deal. NY 694-S* explained to HALL that CG 5824-S* is ill, and that to extend his trip abroad to include Poland would further endanger the Chicago informant's health.

GUS HALL told NY 694-S* that he would advise CG 5824-S* that the latter need not go to Poland at this time. The message would be in code, furnished by NY 694-S*, and would be transmitted to the Chicago informant as follows: "The worker" would send to HARRY WINSTON in Moscow a cable advising that [redacted] need not go to see [redacted], which means that CG 5824-S* need not go to Poland. HALL said that in view of the situation in which the Party now finds itself, money is needed now more than ever. He is most anxious to learn what arrangements, if any, CG 5824-S* has made with the Soviets for financial assistance to the CPUSA. HALL also mentioned that as yet "The Worker" has not received "its subscription money" from the Soviets.

Regarding HENRY WINSTON, HALL stated that the CPUSA, by reason of travel restrictions, is not in a position to send anyone abroad to take care of WINSTON while the latter visits various countries in the Soviet orbit and, on WINSTON's trip home. He said that in an emergency it might become necessary to seek the assistance of the Canadian CP in this regard.

In a meeting with GUS HALL on 11/21/61, the informant was told by HALL that in his opinion the Government would not take any action against him or the Party until at least the beginning of next year. He does not anticipate being arrested in the immediate future. HALL boasted that to date the Party has correctly predicted Government action against it.

In reply to a question from the informant regarding the advisability of purchasing now bonds to be used later for bail, HALL said, "Why bother? It might be a good idea to let [redacted] put up the bail."

ReCOairtel, captioned as above, 11/24/61, requesting interpretation of a letter from CG 5824-S*, dated 11/18/61.

On 11/27/61, NY 694-S* advised SA ALEXANDER C. HURLINSON as follows:

The information contained in CG 5824-S* letter dated 11/18/61, is the following:

CG 5824-S* was sending instant message through GEORGE MEYERS. Inasmuch as two to three weeks elapse before CG 5824-S* receives a reply to his letters, he suggests that NY 694-S* not reply to instant letter.

CG 5824-S* expects to leave Moscow about the 23rd of November. He is still negotiating with the Soviets for financial assistance to the CPUSA, but as yet has received no definite commitment from them. He suggests that GUS HALL send to him, via VLADIMIR BARKOVSKY's channel, a note emphasizing the fact that the CPUSA is without funds. CG 5824-S* has explained to top Soviet functionaries that the CPUSA cannot continue operations unless it receives financial aid at this time.

For CG 5824-S* to go to East Germany, Hungary, and Poland would require an additional week of traveling. He plans to avoid going to these places, but will go to Prague. Should HALL object to his not going to East Germany, Hungary, and Poland, he should be told that trips to these places can be made later.

[redacted] is not in a position to see anyone. CG 5824-S*, unless he takes the North Pole route home, flying to either San Francisco or Los Angeles, will attempt to contact [redacted]. Should he arrive in the USA at either San Francisco or Los Angeles, CG 5824-S* desires he be met by Bureau Agents who will arrange that he go through Immigration and Customs without incident.

b6
b7c

Any message to be sent to CG 5824-S* at this time should be sent to him at Prague.

HALL should be told that CG 5824-S* is making every effort to successfully complete his assignment, and that KHRUSHCHEV sends his regards to HALL.

After receiving from the NYO the coded message above interpreted (which had been furnished telephonically to the NYO on 11/24/61, by the Chicago office), NY 694-S* met GUS HALL late on the evening of 11/24/61, in Van Cortlandt Park, and delivered to HALL the above message.

HALL thereupon authorized NY 694-S* to send to CG 5824-S*, through VLADIMIR BARKOVSKY's Soviet channels, a coded message to the following effect:

"Gus to Morris, whether in Moscow or Prague. I stress our desperate financial situation, due both to McGarren Act litigation and expense incidental to publication of mid-week 'Worker.' Trips to East Germany, Hungary and Poland may not be necessary if you obtain required financial assistance in Moscow. Our desperate financial situation should determine where you should go for money."

NY 100-134637

NY 694-S* advised that he was attempting to contact BARKOVSKY telephonically on 11/27/61, to arrange a meeting with the latter on that date for the purpose of delivering to him HALL's message for CG 5824-S*.

In talking to the informant on 11/24/61, in Van Cortlandt Park, GUS HALL said he was "furious" with JAMES JACKSON, and cursed the latter in gutter language. According to HALL, he had been informed by ELIZABETH FLYNN that, while in Moscow, JACKSON had made an effort to undermine CG 5824-S* in the eyes of the Soviets. He indicated to the Soviets that CG 5824-S* was "not the man for the job," (negotiating financial transactions for the CPUSA with the Soviets).

HALL stated that JACKSON undoubtedly would like to handle the financial negotiations for personal reasons, to wit, "to feather his nest" by controlling the Soviet funds. HALL also stated that FLYNN had learned that when JACKSON was in Moscow as a delegate to the 81st Party Congress, he had been given by the Soviets thousands of dollars for his personal use.

HALL charged JACKSON with flagrantly violating "all security rules" by having attempted to undermine CG 5824-S* in Moscow. HALL then castigated JACKSON and HENRY WINSTON jointly, stating that the CPUSA delegation to the CPSU Congress had lost much valuable time "because JACKSON and WINSTON had to be catered to and serviced."

On 11/28/61, NY 694-S* advised SA ALEXANDER C. BURLINSON that he met BARKOVSKY at 7 p.m. on 11/27/61, outside the Town House Restaurant in Queens, NED. BARKOVSKY indicated that there was to be no conversation, and that he was in a hurry. ReCGairtel, captioned as above, 11/27/61, reflecting the content of notes from CG 5824-S* to NY 694-S* and ELIZABETH GURLEY FLYNN.

On 11/29/61, the originals of the above-mentioned notes were delivered by SA ALEXANDER C. BURLINSON to NY 694-S*, who advised as follows:

The note addressed to ELIZABETH FLYNN is to be interpreted literally. "WICKIE" refers to HENRY WINSTON.

of CLAUDE LIGHTFOOT, and "the big fellow" refers to GEORGE MEYERS. "V.J." is V. J. JEROME and "TIM" is TIM HUGH of the Canadian CP.

The coded note, addressed "Dear James" (NY 694-S*) reflects that, when it was written, CG 5824-S* had expected to leave Moscow on the 17th or 18th of November. CG 5824-S* requested that GUS HALL be asked for a list of people who might go to Moscow next year. He also indicated that the WFTU congress would be held on December 5th, and that anyone, including Canadian CP members, could attend it. On 12/1/61, NY 694-S* advised SA GEORGE EDWIN JONES as follows:

CLAUDE LIGHTFOOT met with informant the evening of 11/30/61, and advised that there is nothing going on in the CP these past few days except an occasional meeting of the top Party leaders; some clubs are meeting but this is left to the discretion of the individual clubs. Party work is being accomplished mostly in peace groups and youth groups. According to LIGHTFOOT, the Party is optimistic and think they can win the case being pursued by the Government under the Internal Security Act of 1950. One reason for this latter opinion, according to LIGHTFOOT, is that the Party believes that President KENNEDY is inclined to be more friendly to the Russians because of the release of his remarks in the Soviet press. (apparent reference here is to interview by ALEKSEI ADAMCHUK).

LIGHTFOOT stated that he regrets making the news release to the Chicago newspapers to the effect that the CP now has only three officials (FLYNN, DAVIS, HALL).

He stated that his release was premature and that the release should have been in the form of an official CP release coming out of CP headquarters. LIGHTFOOT remarked that he expects criticism from other Party leaders because of this.

In regard to CP Negro Commission work, LIGHTFOOT stated that little is being done at the present time.

JACK KLING of Chicago was recently overheard to comment that GIL GREEN, who is now free on his conditional release after serving a term in the Federal Penitentiary for a violation of the Smith Act, is scared stiff that his activities since released might now cause him to return to prison. This possibility of his return to prison has GREEN in a completely demoralized state.

It was also learned at this time that GREEN's recent action in securing a new job commitment through [redacted] in Chicago has not met with the approval of the Party leaders in New York City.

In line with the above, it has also been learned that [redacted] of New York, who, similar to GREEN, is out on a conditional release, now feels strongly that the possibility of his return to prison is a reality. [redacted] now regrets that he has openly flaunted the conditions of his parole as he has done in the past.

Extreme caution must be exercised with respect to dissemination of the information herein, since, by its nature, it tends to identify NY 694-S* as the source thereof. Unless this information is obtained from a source other than NY 694-S*, it should not be incorporated - even in paraphrased form - in the investigative section of a report.

On 11/30/61, NY 694-S* furnished the following information to SA ALEXANDER C. BURLINSON:

On that date, source had lunch with subject and spoke to him regarding use of subject's firm, Latin American Designers, 500 Broadway, NY, NY, as a repository for CP records. Subject, although not very enthusiastic about the idea, consented to allow his business place to be used as a repository for the CP records.

The source then questioned subject about his future plans. KOLKO stated that his future had been determined long ago in Moscow, on one of his earlier trips there.

At that time, BORIS PONOMAREV, head of the International Department, Central Committee, CPSU, and OTTO KUUSINEN, Secretary, CC, CPSU, were of the opinion that subject should be a specialist in Latin American work. NIKOLAI VLADIMIROVICH MOSTOVETS, head of the North and South American Section, International Department, CC, CPSU, had also liked the idea of subject working on this specialty.

The plan (working on Latin American affairs) would have been in effect already, if he had not been involved with WILLIAM Z. FOSTER (deceased Chairman Emeritus, CP, USA) in Moscow, and returning FOSTER's remains to the US.

KOLKO still wants to work for the Soviets, but feels that since he has been in the limelight in the FOSTER affair, he has undoubtedly come to the attention of US authorities (FBI), and is probably being watched.

In addition to this, he is tied down with ESTHER FOSTER, who is very sick, and may be dying.

When the right opportunity comes along (after the above situations have cleared up), KOLKO will discuss the matter of his work with GUS HALL, General Secretary, CP, USA.

KOLKO then related that he believed himself to be a specialist in two fields, in Latin American affairs, and in Western European affairs. If KOLKO can't get the Latin American assignment, he will ask for an assignment in Western Europe.

NY 100-24733

KOLKO stated that all those who had worked in his department had been "liquidated" with the exception of a few persons, who had survived and are still active in Soviet Intelligence.

Among these survivors is one (FNU) SLUTSKY, who had been one of KOLKO's superiors in the US (NY 65-7471-2018, Page 19 reflects that one (FNU) SLUTSKY was affiliated with Amtorg as of September, 1929.)

Another of these superiors still active in Soviet Intelligence is one (FNU) GRAMOV. GRAMOV got in trouble about the time KOLKO was in trouble (1933-40), was censured, and was sent on an assignment to the Far East. GRAMOV became affiliated with Military Intelligence in the Far East, and came out a military hero. (Possibly identical with NY 65-17401, Bufile # unknown, on Lt. (FNU) GRAMOV, an unsub identified by REINO RAYHANEN as having been in the Third Special Section of the NKGB during 1941-1943.)

KOLKO then said that last week he had spoken to "a most responsible person" (a Soviet), and that the Soviet had told him the following:

BORIS PONOMAREV has been replaced (NY 694-S* said he had also heard this). NIKOLAI VLADIMIROVICH MOSTOVETS and ALEKSEI ANDREEVICH GRECHUKIN, MOSTOVET's assistant, are no longer in the International Department, CC, CPSU.

NY 694-S* pointed out that while he could confirm the information re PONOMAREV, he could not at the moment confirm that concerning MOSTOVETS and GRECHUKIN, but that if it is true, the subject's Soviet contact, referred to above, is certainly a highly placed Soviet with access to the latest information.

NY 100-24733

NY 694-S* stated that the subject is not operative at the moment, but is definitely interested in working for the Soviets, and will take steps to do so, when the subject feels that the time is right.

December 5, 1961.

JACK KLING, Chicago Manager of the "Morning Freiheit," and a leading comrade in the Communist Party (CP) of Illinois, was overheard on December 5, 1961, to remark that a special meeting of the "Coordinating Committee" for the CP of Illinois had been scheduled for Saturday, December 9, 1961, in Chicago. Whether this meeting will actually be held on this date is partially dependent on whether CLAUDE LIGHTFOOT has returned to town by that date.

The meeting itself has been scheduled to discuss a number of local problems, one of which is whether the Party clubs should meet. In this regard, KLING noted that a minority of clubs do desire to meet in small groups while others want to wait to determine what happens.

In response to a direct question, KLING was overheard to remark that the CP of Illinois had not and does not intend to take any steps which would place it in an underground status.

At the same time, KLING also noted that the "Morning Freiheit" had recently held a meeting in Chicago at which over \$4,000 was netted. This particular meeting had been held for the purpose of determining the feeling among the local progressive elements in relation to the CP in this present period. Based on the results of that meeting, it is now felt that if Party clubs cannot meet as such, they can organize their activities around affairs similar to that sponsored by the "Morning Freiheit."

In view of the previous apparent success of the "Morning Freiheit" meeting, the "Morning Freiheit" has now decided to schedule another such meeting and to bring in SI [redacted] from New York as the speaker. [redacted] will speak at the affair on the topic of his recent visit to Israel.

In connection with his possible appearance in Chicago, [redacted] indicated a desire to speak to GIL GREEN. In view of the problems which have recently arisen concerning GREEN's Communist Party contacts, the matter of a meeting between him and [redacted] was discussed by the local Party leadership and they have ruled out any such meeting.

It was recently learned that CLAUDE LIGHTFOOT's departure for New York had been reportedly motivated by his desire not to be arrested in Chicago in order that he could avoid having [redacted] involved.

b6
b7c

It has been further learned that the top Party people, including GUS HALL, are very disturbed over the recent interview given by CLAUDE LIGHTFOOT to the press in Chicago. Particularly, they are disturbed over the fact that he mentioned names during this interview. The action on the part of LIGHTFOOT in regard to this interview has put the leadership in a difficult position for two reasons.

The first reason is that the interview identified three people which the courts could not previously identify as being in the leadership of the Communist Party (CP), USA.

Secondly, this interview has resulted in complaints from the rank and file membership in that the leadership has taken secret action to protect themselves and had not passed this information down to the ranks. That so far, the Party's leadership has only taken action to protect themselves and has ignored the rank and file membership in this regard.

On 12/12/61, NY 694-S* advised SA ALEXANDER C. BURLINSON as follows:

On the evening of 12/11/61, NY 694-S* conferred with GUS HALL, General Secretary of the CPUSA, who furnished the following information:

HALL has decided that HENRY WINSTON is to remain in Moscow instead of returning to the USA. Besides solving the problem of sending someone to the Soviet Union to bring WINSTON home, the latter's remaining there will constitute "a reserve CP leadership" out of the USA, if, by some remote chance, a need therefor should ever arise.

With regard to a new trade union magazine which the Party has been attempting to establish for sometime, HALL, at a recent conference with CARL WINTER, Detroit CP functionary, decided that the said magazine should have its headquarters in Detroit. As yet, no editor has been appointed for the magazine, nor has it been determined where in Detroit the magazine will have its headquarters. Further, no name for the magazine has been decided upon as yet. HALL requested that on 12/12/61 NY 694-S* furnish him, from Solo funds in the informant's possession, and through [REDACTED] HALL's "leg-man," the sum of \$5,000.00 for the use of the aforementioned magazine.

b6
b7c

CLAUDE LIGHTFOOT made a serious mistake in telling the press that the CP leadership now consists of three individuals. The Party has severely criticized him for this mistake, which they attribute to over enthusiasm on LIGHTFOOT's part. HALL, nevertheless, feels that it has been a good tactic to reduce the leadership to three. He believes "the trials will be technical - short and sweet." The CP membership will appreciate the fact that there will be a minimum of victims.

DOROTHY HEALEY, Los Angeles CP functionary, is "a screwball": She is scheduled to come to New York on 12/12/61

NY 100-84994

to complain to HALL because she was not included among the three individuals named as current CP national leaders.

HALL expressed himself as well pleased with the publicity he has received as a result of testifying before the Grand Jury in Washington, D. C. He boasted that in his appearance on television after the Grand Jury proceedings, he addressed an audience of 50,000,000 people whom he must have favorably impressed.

He also was pleased to have spoken at Cornell University where, he said, his audience consisted not only of students, but of townspeople also.

HALL also said he is delighted to have received news clippings from Europe reflecting that U. S. embassies abroad are being flooded with protests against the Mc Carran Act.

According to HALL, ALEXANDER TRACHTENBERG is going into a hospital for surgery involving the prostate gland, and before going will sign over^{to} the Party various enterprises--with the exception of "International Publishers"--now in his name. Contrary to TRACHTENBERG's wishes, HALL will place JAMES ALLEN in "International Publishers" to supervise activities there while TRACHTENBERG is in the hospital.

The Detroit Office is requested to alert its sources with respect to securing information regarding the trade union magazine mentioned herein. For the information of Detroit, the Bureau has requested that all communications relative to this matter reference Bureau letter to Chicago, copy to New York, dated 3/14/61, captioned "Communist Party, USA - PAMPHLETS AND PUBLICATIONS - IS - C," reflecting that GUS HALL told CG 5824-S* on 2/23/61 that a new trade union magazine would definitely be published, but would conceal its Party connection.

Since it is believed that to disseminate the above information would jeopardize the security of the informant, a letterhead memorandum is not being furnished to the Bureau.

HALL said he was grateful to [REDACTED] for submitting the report, and that he also was interested in [REDACTED] activation in the Party.

NY 694-S* suggested that HALL establish an "economic research commission" consisting of HALL, JACOB BUDISH and [REDACTED] and HALL indicated that he thought the suggestion excellent. HALL did not state what steps he would take, however, to establish such a commission.

assignment. NY 694-S* asserted that because of the above,
the whole idea had been abandoned.

Pursuant to telephonic arrangements previously made, NY 694-S* met VLADIMIR BARKOVSKY in the area of the Townhouse Restaurant in Queens, NYC, at 7 P.M. on 12/19/61. When BARKOVSKY observed the informant leaving the aforesaid restaurant at 7 P.M., he walked to the Sutphin Ave. station of the 8th Ave. Subway, the informant following him there.

BARKOVSKY initiated conversation on the subway station platform, complaining about the inclemency of the weather, and that he had to be out on such a bad night. He then instructed NY 694-S* to be "available" on Fridays and Mondays for the next few weeks, and said that, before contacting NY 694-S* at the latter's office on a Friday or a Monday, he would telephonically

contact the informant between 12 noon and 2 P.M. to ascertain whether "all was clear". If anything should be wrong, NY 694-S* should state that the individual to whom BARKOVSKY would request to speak was not in.

Mentioning CG 5824-S* by his given name, BARKOVSKY said that he expected to have some "material" for the latter, and that CG 5824-S* should bear in mind "that his pages will be 3, 4 and 5." (Apparently BARKOVSKY was referring to a chemically treated paper pad to be used for secret writing.)

BARKOVSKY then stated "we don't want the dentist (Dr. GREGORY VALENTINE BURTON). I don't know the details, but we will re-imburse him for his travel expenses."

NY 694-S* at this point handed BARKOVSKY, for transmittal to Moscow, a small package containing microfilm. The messages on the said microfilm will be described hereinafter.

At this point a subway train came into the station, and as the doors opened BARKOVSKY said, "By the way, you have skipped a hundred cipher groups. That's very bad!" Before NY 694-S* could make any reply, BARKOVSKY told the informant to board the train, saying "I'll see you later." NY 694-S* believed that BARKOVSKY desired him to ride to the next station (Parsons Boulevard) and to wait there for him. The informant waited at the Parsons Boulevard station for about three quarters of an hour, but BARKOVSKY never arrived there.

The microfilm contained the following messages which had been converted first to open code and then ciphered:

(1) "To the Central Committee of the CPSU from GUS HALL - Press in USA gave wrong and distorted picture of tactical legal

Only few work in the National Office. The rest orbit around it. Atmosphere more favorable for CPUSA. Popular support growing. Washington officials hesitating in order to gain time by moving slowly on prosecutions."

(2) "To Central Committee of CPSU from GUS HALL - Most urgent that HENRY WINSTON remain in Moscow as reserve cadre. Since WINSTON already there for medical treatment and rest, reserve cadre of paramount importance. Therefore he remain until such time as the N.E.B. and HALL get clearer picture of legal actions against the CPUSA. Each month we will review this situation and keep WINSTON fully informed through this channel."

(3) "GUS HALL requests answer his message of October regarding MORTON SOBELL (suggestion that Soviets try to arrange an exchange of 'political prisoners')."

(4) "MORRIS CHILDS has arrived safely in USA."

(5) "ELIZABETH GURLEY FLYNN in new residence now. New address Madison Square Garden Hotel, c/o sister, Mrs. HANNA."

(6) "Still no mailing address from you for JACK CHILDS."

The aforesaid microfilm also contained the following message, converted into open code, from HALL to the Soviets:

"When FLYNN returned from the 22nd Congress in Moscow

AIRTEL TO BUREAU

she was criticized very severely and challenged by JIM ALLEN and WILLIAM WEINSTONE for condemning Albania, as KHRUSHCHEV did, when she spoke on behalf of CPUSA in the Congress. They did not accept her report fully here. They are of the opinion merely to condemn Stalin and to exhume his body is not sufficient to guarantee that this will not happen again. ALLEN claims that Soviet young people at the UN express similar sentiment. ALLEN and WEINSTONE seem to be dominated by the Togliatti line. Is it possible for such young people from the USSR to talk that way and if so, why to such comrades as ALLEN?"

The microfilm also contained a CPUSA report (previously furnished to the Bureau and San Juan) regarding a meeting in NYC between CPUSA functionaries and "a person from Puerto Rico" (believed to be [redacted] of the CP of Puerto Rico), at which Puerto Rican economic and political questions were discussed.

b6
b7C

NY 694-S* expressed concern about BARKOVSKY's allegation that 100 cipher groups had been skipped. The informant was assured that in view of the manner in which ciphering of his messages to Moscow is handled, BARKOVSKY's allegation could not be true, and that in all likelihood the Soviets here had failed to transmit one of the informant's messages to Moscow. The NYO will attempt to ascertain which message this might be. The NYO also will refresh the informant's recollection regarding the general content of all ciphered messages given by him to BARKOVSKY so that he may inquire of BARKOVSKY whether the latter actually transmitted all these messages to Moscow. The informant was instructed to take a firm position regarding this matter in any further discussion thereof with BARKOVSKY.

BJOZE was contacted and interviewed by the latter agent on 12/7/61, which represents the first occasion on which BJOZE has been contacted by one agent. Interview lasted approximately one and one-half hours, during which time BJOZE was affable and in good spirits.

NYO will submit communication reflecting results of these contacts subsequent to 12/21/61 contact.

Agents handling BJOZE have been in contact with NYO agent handling NY 694-S with regard to a possible plan whereby BJOZE could be used to the Bureau's advantage, and at the same time be "cross checked" by NY 694-S. NYO will not implement this plan without first apprising the Bureau.

For the Bureau's general information, the 12/21/61 contact with BJOZE will be the 23rd time he has been interviewed since the original contact on 12/22/60. NYO feels that the most significant factor involved here is that BJOZE is NOT unwilling to maintain a relationship with agents.

MASCOLO further stated that the Cuban consul in Toronto works closely with TIM BUCK, and is a frequent visitor at BUCK's home. She said that on the day before she left for her current visit to NY, the aforesaid Cuban consul told BUCK and MASCOLO the following, which he had learned from a Cuban official visiting Canada:

The CASTRO government "received a bad set-back" as a result of President KENNEDY's recent visit to Venezuela. CASTRO spent considerable money, and had sent many people to Venezuela, in an attempt to create anti-KENNEDY demonstrations that were to be ostensibly demonstrations by native Venezuelans. CASTRO has admitted that his attempts to create anti-KENNEDY demonstrations proved to be "a dud." He cannot understand why this happened, and he is terribly disappointed.

CASTRO, however, feels that despite this "set-back," he can take consolation in the fact that "KENNEDY did not send any fences - it was too late for him to come in and win Venezuela completely."

MASCOLO further mentioned that TIM BUCK and she had been invited to go to Cuba in January as guests of the CASTRO government. In view of the fact that the Canadian CP convention is scheduled for January, MASCOLO doubted whether she and BUCK would go to Cuba at that time.

NY 100-

On 12/22/61, NY 694-S* furnished the following information to SA ALEXANDER C. BURLINSON.

On 12/21/61, NY 694-S* contacted IRVING POTASH, CPUSA Labor Secretary, who told him the following:

During the past few days a multigraphed paper entitled "Progressive Labor" has been circulated among members of the CPUSA NYD Industrial Division. The paper, ostensibly a publication of labor news, is edited by [redacted] (member of the NY State CP Committee), and MORT SCHEER (former Upstate New York CP Co-ordinator). The "line" of this paper is strictly contrary to the CPUSA's position with respect to labor and other matters.

b6
b7C

Also identified with "Progressive Labor" are [redacted] (former NY County CP Organizer), [redacted] JACK SHULMAN (former NY County CP Financial Secretary), ABE UNGER (former NY County CP Legislative Director, now under suspension), and [redacted] a member of the NY State CP Committee.

The above named group had a meeting recently with representatives of the Labor Negro Vanguard Party, and the combined group is apparently well organized. Also working with this group are "the Trotskyites."

The Party has good reason to believe that this paper is being subsidized by the Albanians. The Party has learned that while abroad last summer, JACK SHULMAN visited Albania. Recently there has been considerable social intercourse between the above-mentioned group and members of the Albanian UN Delegation. Out of curiosity, "The Worker" sent a representative to a recent Albanian UN reception, and the said representative observed that the above-named individuals were present as a group, and were particularly "palsy-walsy" with the Albanians.

On 12/22/61, at 7 a.m. in the morning, GUS HALL sent a note to NY 694-S* through his leg-man [redacted]. According to HALL's instructions, the information in the note was to be transmitted to the Soviets in Moscow. The note is as follows:

b6
b7C

NY 100-

"1. Some of the elements of the old infantile, dogmatic, sectarian clique who have always had in their ranks Trotskyite elements and who in the past for many years attached themselves to WM, FOSTER and BEN DAVIS, have now formed a committee, mainly based on New York, but they have some elements in a few of the other cities. This open anti-party disruption is led by people like [redacted] JACK SHULMAN, ABE UNGER and [redacted] HOMER CHASE of New England (who took advantage of the hearing before the Un-American Activities Committee only two weeks ago to slander Comrade KRUSCHEV and a defense of the personality cult). MORT SCHEER of Buffalo and a few scattered here and there.

b6
b7c

"2. It is definitely established that they have been in touch with the Albanians as far back as last summer, if not even earlier.

"3. They have put on two full time functionaries and they have put out a first edition of a magazine called "Progressive Labor" which they are circulating around the world. They are circulating copies of a letter to the world Marxist movement by the Albanians and the anti-Soviet slanderous speeches of HOXHA.

"4. It has been almost definitely established that this anti-party attempt to disrupt the Communist Party and its work is directly financed by the Albanians.

"5. Last June when the Supreme Court passed its decision on the McCarran Act, this grouping simultaneously with a campaign by the FBI and other government agents, started an open campaign and discussion for the dissolution of the CP immediately. This failed completely and the Party stood firm. So now they have moved to the stage of openly trying to split the ranks of the Party. For the whole year the same elements have been instrumental in distributing especially the Chinese material that emphasize its differences with the world Marxist movement.

NY 100-

"Finally, this attempt will fail, like all other anti-Party disruptive attempts. In the next weeks, these elements will be tried and expelled from the Communist Party. Outside of this little disruptive clique that has attempted to disrupt the Party for years, the Party leadership, including those that in the past were not able to fully see their disruptive character, as well as the membership is more united than ever before."

On 12/21/61, [] made available to the NYO a copy of "Progressive Labor," a Photostat of which is enclosed herewith for the Bureau. There are also enclosed herewith a Photostat of the same for the Buffalo, Newark and Boston offices, respectively.
